

# Strange Enough

Vérité

'Cause I, I, I wanna fall,  
but every time you leave me down on the floor  
Memories keep rushing round  
Nothing ever stays the same

'Cause maybe I'm just addicted to  
The things I lack, and the way you move  
In circles I run, round a figure eight  
Always running off, meeting up in the same place

Slow down  
And pick up the pieces  
'Cause I've found we're living our lives half asleep  
Living our lives half asleep

'Cause I, I, I wanna go where everything's the same  
Memories keep rushing round  
And all we ever do is CHANGE  
'Cause I, I, I wanna fall,  
but every time you leave me down on the floor  
Picturing the ways we move  
'Cause nothing ever stays THE SAME

Separate a fragile spine, a hollow hope  
Just to make things right  
I've been picking up pieces slowly,  
And wondering why you HOLD ME  
Take me back to the way it was before

'Cause I, I, I wanna go where everything's the same  
Memories keep rushing round  
And all we ever do is CHANGE  
'Cause I, I, I wanna fall,  
but every time you leave me down on the floor  
Picturing the ways we move  
'Cause nothing ever stays THE SAME

STRANGE ENOUGH,  
I don't love you like you want me to  
STRANGE ENOUGH,  
I don't love you like you want me to  
STRANGE ENOUGH,  
I don't love you like you want me to  
STRANGE ENOUGH,  
I don't love you like you want me to  
Like you want!

('Cause I, I, I wanna go where everything's the same  
Memories keep rushing round  
And all we ever do is CHANGE  
'Cause I, I, I wanna fall,  
but every time you leave me down on the floor  
Picturing the ways we move  
'Cause nothing ever stays THE SAME)
