

## Louder

## Vermillion Lies

Suddenly i found myself without you  
one day, someday, you will be alone too  
for now i see you walking down the street with him  
and i will smell your breath on every girl's ???  
why do you do it to me?  
well last time i went shopping i bought your favorite  
kind of ice cream  
it's still sitting in my freezer, it's screaming "you  
still need her"  
why do you kiss so softly?  
i love to watch you on stage  
you sing about love; you sing about ???  
but your song is fading so fast  
you didn't write this case to last  
why do you do it to me?  
i couldn't help but notice the way you kiss her  
it's so much like the way that you said you couldn't be  
any prouder  
when you kiss me, kiss a little louder  
why do you kiss so softly?
