

# Love Is Like An Echo

Vern Gosdin

Honey you been sayin'  
I don't love you anymore  
That I'm not doin' loving things  
Like I did before  
But have you thought about it  
How you're treatin' me these days  
I think it's time you realize  
That lovin' goes two ways

And love is like an echo  
It will always return  
When you give me all you got  
And you love me through and through  
Then just like an echo  
Love will come back to you

Looks like you could figure out  
That what you need to learn  
When you say those hurtin' words  
They always return

So hold me close say lovin' things  
Honest, pure and true  
The more love that you give to me  
The more I'll give to you

And love is like an echo  
It will always return  
When you give me all you got  
And you love me through and through  
Then just like an echo  
Love will come back to you

Love is like an echo ... til end
