

# Till The End

Vern Gosdin

If I never see your loving face again  
I'll go on loving you till the end  
And if my broken heart and I don't find a way to mend  
I'll go on loving you till the end

The years and miles may separate you from me  
The pain may lessen more as time goes by  
But as for me memories will never fade  
And I'll go on loving you till the end

If we're ever free to love again I know

Straight to your waiting arms is where I'll go  
And there's I'll stay forever and I'll prove to you again  
I'll go on loving you till the end  
I'll go on loving you till the end
