

Hey Boy

Verona

Hey boy, take my body
Spank me, I've been naughty
Yes boy, I can go all night
No boy, no more waiting
I'm not into dating
Hey boy, want you to come inside

Now's the time
Get in line
Feel my need
Rising heat

Ain't no fun
In wasting precious time
So come to me and say
What you like
And how to do you right
You better stop running away

Hey boy, take my body
Spank me, I've been naughty
Yes boy, I can go all night
No boy, no more waiting
I'm not into dating
Hey boy, want you to come inside

Pa,pa,parara,pa,pa,parara
Ra,pa,papara,ra,pa,parara

Groaning sounds
Spreading 'round
Things we'll do
You never know

Ain't no fun
In wasting precious time
So come to me and say
What you like
And how to do you right
You better stop running away

Hey boy, take my body
Spank me, I've been naughty
Yes boy, I can go all night
No boy, no more waiting
I'm not into dating
Hey boy, want you to come inside

Hey boy, take my body
Spank me, I've been naughty
Yes boy, I can go all night
No boy, no more waiting
I'm not into dating
Hey boy, want you to come inside

Pa,pa,pa,parara,pa,pa,parara
Ra,pa,pa,parara,pa,pa,parara
