Buried Alive

Veronica Falls

Bury me alive
Bury me alive
I don't care
If people cry
Bury me alive

I wanna get sick
I wanna catch everything you've ever could
I wanna get shipped
Had to sit and wait for me

A a a a a a a
Bury me alive

Cover me in flowers
Let me count the hours
Cause I can't wait
To meet my fate
Bury me alive

I wanna get sick
I wanna catch everything you've ever could
I wanna get shipped
Had to sit and wait for me

A a a a a a a
Bury me alive

I wanna get sick
I wanna catch everything you've ever could
I wanna get shipped

Bury me alive
Set me adrift
And hope the tide
Doesn't bring me in
Set me adrift
And tell the tide
Not to bring me in
