

Everybody's Changing

Veronica Falls

Everybody's changing
I remain the same
Everybody's changing
They say at your age

And I know how old I am
But why do I care?
You moved to another town
But I won't go there

No, I won't go there
No, I won't go there
No, I won't go there
Anymore

Everybody's changing
I remain the same
Everybody's changing
You stay at your age

And I know how old I am
But why do you care?
I can't see you now
And I won't look back

No, I won't look back
No, I won't look back
No, I won't look back
Anymore

You moved to another town
But you won't look back

No, we won't look back
No, we won't look back
No, we won't look back
Anymore

No, I won't look back
No, I won't look back
No, I won't look back
Anymore
