Veronica Falls

What are you gonna do?
I've been waiting a while to take you
Your fans wouldn't understand
When I'll leave holding your hand

Driving when at night
I'll let you listen to the music you like
Then I'll drop youuuu home

When I am gonna see
I carved your name in the cherry tree
From the window when you look outside
I'll be there, you know I won't hide

Driving when at night
I'll let you listen to the music you like
Then I'll drop youuuu home

Drop you hooome
Drop you hooome

What are you gonna? What are you gonna do?
I'll be waiting the one to take you
What are you gonna? What are you gonna do?
I'll be waiting the one to take you
What are you gonna? What are you gonna do?
I'll be waiting the one to take you
What are you gonna do?
If you're looking for someone new

Driving when at night
I'll let you listen to the music you like
Driving when at night
Everything's alright

It's alriiight
It's alriiight
It's alriiight
It's alriiight
