

# All Is Said and Done

## Vertical Horizon

I need you to hear me.  
I want you to feel this.  
It should be clear as fair and plain as day.  
I'm not going to bend now.  
You're not going to break me.  
You'll never be hard enough to scratch my face.

I wanted to feel you,  
I tried to belong here,  
Well all of the ghosts and faded headlines.  
But I couldn't read you,  
You wouldn't let me.  
You always pull away from the ones you can't defy.

Are you tired of holding up the sky?  
Of teaching birds to fly?  
You've done it all your life.  
Oh baby, are you sad when you see the sun?  
Cause then you're not the brightest one.  
When all is said and done, ah honey,  
When all is said and done.

I need to move through this,  
The waiting just kills me.  
Whatever you do is on you,  
I'm washed clean.  
No, don't be alarmed now,  
The story is ending.  
These aren't open arms just waving you away.

Are you tired of holding up the sky?  
Of teaching birds to fly?  
You've done it all your life.  
Oh baby, are you sad when you see the sun?  
Cause that means you're not the brightest one.  
When all is said and done, ah honey,  
When all is said and done.

I need you to hear me,  
I want you to feel this.  
It should be clear as fair and plain as day.

Are you tired of holding up the sky?  
Of teaching birds to fly?  
You've done it all your life.  
Oh baby, are you sad when you see the sun?  
Cause that means you're not the brightest one.  
When all is said and done.

Oh, are you tired of running for your life?  
When there's no one left behind,  
Just the chaos in your mind.  
Oh baby, are you sad each day you greet the sun?  
You know you're not the brightest one.  
When all is said and done,  
When all is said and done.
