Answer Me

Vertical Horizon

It seems you're feeling down You don't know how long But you know you don't like it Lost in your room

It seems you're feeling tired You don't know what from One too many parties Makeup hides the wounds

[Chorus]
Answer me
Giving up won't get you out
Can't you hear me
Come and leave this room of doubt
Answer me

It seems you're feeling scared You don't know how come Hiding in the shadows Praying for the sun

[Chorus]

It seems you're feeling old You don't know how long Holding on to memories Waiting for the song

[Chorus]
