

Finding Me

Vertical Horizon

I don't think you notice
When you see my face
I guess you're waiting
To spin me around again

Wheels I guess are turning
Somewhere inside my head
I know that this is
Deeper than you get

But you're coming back again
You don't mean to waste my time
But you're coming back so

[Chorus]
Don't tell me
How to be
'Cause I like some suffering
Don't ask me
What I need
I'm just fine
Here finding me
Me

I've already given
Up on getting through
I never question
Who I'm talking to

Oh so much for nothing
But nothing means so much
I know it's touching
But I've been out of touch

And it's all that I can do
I'm a sight for my sore eyes
But it's all I am so

[Chorus]

I don't think you notice
When I can't reach out
I guess you're waiting
On somebody else again

Oh so much for talking
It's all been said before
I'm hearing something
but I wish you'd just say more

But you're going off again
When I try to just hold on
But you're going off so

[Chorus]
