

# Give You Back

Vertical Horizon

I need to know if you were real  
'Cause I've been known to get it wrong  
When the memory comes  
I'll say I'm always in the dark  
You got me now

[Chorus]

I want to give you back  
I want to give you back  
Somewhere out of here  
I want to give you  
I want to give you  
I want to give you back

I can't remember how it went  
You looked like everything I wanted  
And as you came along  
Slowly everything began to change  
I got you now

[Chorus]

That's enough  
Just talking about it  
I don't mind  
I don't mind no I  
Laugh enough  
Just dreaming about it

I need to know if you were real  
I'd hate to think that I'd been fooled again  
And as the vision fades  
I'll say I was blinded by your eyes  
I felt them burn

[Chorus]
