## Inside

## **Vertical Horizon**

We're all lost We're all found We're all the same Just one heart Beats in us We're different names Just one heart Oh- different names Oh me, inside you Cause I wanna be, Inside you Inside you Take this hand Lift me up Into your sky Oh, hold me here It's just you and me Cause you make me fly Oh you make me fly Oh me, inside you Cause I wanna be, Inside you Inside you We're all lost We're all found We're all the same... Oh me, inside you Cause I wanna be, Inside you Inside you Hold me, inside you Cause I wanna be, Inside you
