

You're a God

Vertical Horizon

I've gotta be honest, I think you know
We're covered in lies and that's okay
And there's somewhere beyond this, I know
But I hope I can find the words to say

Never again, no
No, never again

'Cause you're a god
And I am not
And I just thought
That you would know

You're a god
And I am not
And I just thought
I'd let you go

But I've been unable to put you down
I'm still learning things I ought to know by now
It's under the table, so
And I need something more to show, somehow

So, never again, no
No, never again

'Cause you're a god
And I am not
And I just thought
That you would know

You're a god
And I am not
And I just thought
I'd let you go

I've gotta be honest, I think you know
We're covered in lies and that's okay
And there's somewhere beyond this, I know
I hope I can find the words to say

Never again, no
No, never again

'Cause you're a god
And I am not
And I just thought
That you would know

You're a god
And I am not
And I just thought
I'd let you go

You're a god
(Oh, and I am not)
I just thought that you would know

(Oh, I thought that you would know)

You're a god

(Oh, and I am not)

I just thought

I'd let you go
