

# All Dressed Up

Veruca Salt

Don't you see I'm the one for you, you're the one for me  
Don't you see the love I've got is the love you need  
Don't you see

I'm all dressed up to be what you want me to be  
I'm all dressed up to be what you want me to be  
I'm all dressed up, all dressed up, all dressed up

Don't you see (don't you see) the infinite possibilities  
Don't you need (don't you need) the kind of love that I need  
Don't you see me (don't you see)

I'm all dressed up to be what you want me to be  
I'm all dressed up to be what you taught me to be  
I'm all dressed up, all messed up, all messed up

You don't even notice me, moving you like a ton of glaciers  
You don't even notice me, soothing you like a long lost sister  
You don't even care, no you don't even care

All dressed up with no place to go  
But home, but home

I'm all dressed up, to be what you want me to be  
I'm all dressed up, to be what you want me to be  
I'm all dressed up, all dressed up, all dressed up

You don't even comfort me, you carry on with the will of Samson  
You don't even comfort me, you keep your faith and you keep your phantoms  
And you don't even care, no you don't even care

All dressed up still there's something wrong  
I'm all dressed up and you're just a song  
I'm all dressed up you're for ever gone, ever long

You don't even care - no you don't even care (you don't want me  
)  
You don't even care - no you don't even care (you don't want me  
)  
You don't even care - no you don't even care (you don't want me  
)
