Imperfectly

Veruca Salt

How can I help it if I'm not neat
If there were creeps before you
How can I help you if I am weak
If I don't know how to help me
But I love you
I love you

Imperfect (2x)
Imperfectly, I love you
Imperfect (2x)
Imperfectly

how can I help it if I'm high strung
If I was born with a sharp tongue
Will you marry me if I stay sweet
If I am the one with the cold feet
But I love you, I love you

imperfect (2x)
Imperfectly, I love you
Imperfect (2x)
Imperfectly, I love you
Imperfect (2x)
Imperfectly (yeah yeah yeah) (8x)
