I remember that day [x3]
I remember the weight [x3]
of you
I remember that ho- [x3]
tel room
I remember that sign [x2]
I remember the line

I remember that girl [x3]

I remember that girl [x3]

I remember that night [x2]
I remember that heart-shaped moon
I remember that light [x2]
I remember the spaceship, too
Yeah

I remember that girl [x3]

I remember that girl [x3]

I remember that day [x3]
I remember the love [x2]
I remember the blood

I remember that ho- [x3]

I remember it all [x2]
