

Stacey Please

Veruca Salt

(tick, tick) (I can't get it, yeah)
Yeah, yeah (haha)
That's a song by a six-year-old
A six-year-old friend of mine
Yeah, let's do that again, ready?
(haha) Ready?
M.C. Hammer stinks,
he stole my girl away
She stole my heart away,
M.C. Hammer stinks
Stacey please come back to me,
I need your love, you know I do
M.C. I've got a message for ya,
you're gonna get it, yeah
Groovy
