

## Swedish Fish

Veruca Salt

Green or red, goodnight, remember  
Green is best of all the flavours  
Go ahead, it's only water

I love my swedish fish  
I love my swedish fish  
I love my swedish fish  
He's my secret wish

Talk to me, I need attention  
Tell me all of your confessions  
Tell me if I cease to mention

I love my swedish fish  
I love my swedish fish  
I love my swedish fish  
He's my pisces gift

I'm never coming back  
I am too far gone  
Won't you be heading this way  
Before too long?  
I'm holding on you  
To you

I love my swedish fish  
I love my swedish fish  
I love my swedish fish  
He's my secret wish

I love my swedish fish  
I love my swedish fish  
I love my swedish fish  
He's my favourite gift
