

# The Speed of Candy

Veruca Salt

Panic  
Frenzy  
My love is near  
Panic  
Frenzy  
My love is here

But there's one thing  
I know I need you to deliver me  
With all the speed of candy  
Whoa, I'm a sugar queen, so  
Shoot me with the speed  
That I need

Panic  
Five a.m.  
My love sleeps  
Panic  
Six a.m.  
My mind creeps

But there's one thing  
I know I need you to deliver me  
With all the speed of candy  
Whoa, I'm a sugar queen, so  
Shoot me with the speed  
That I need

And when it's over  
My teeth will be like glue  
Is it true that's all I need?  
Come on and feed me candy

Candy  
Whoa, we're all on the sugar team, so  
Shoot me with the speed  
That I need

It's the speed that I need  
It's the speed that I need  
It's the speed
