

The Speed of Candy

Veruca Salt

Panic
Frenzy
My love is near
Panic
Frenzy
My love is here

But there's one thing
I know I need you to deliver me
With all the speed of candy
Whoa, I'm a sugar queen, so
Shoot me with the speed
That I need

Panic
Five a.m.
My love sleeps
Panic
Six a.m.
My mind creeps

But there's one thing
I know I need you to deliver me
With all the speed of candy
Whoa, I'm a sugar queen, so
Shoot me with the speed
That I need

And when it's over
My teeth will be like glue
Is it true that's all I need?
Come on and feed me candy

Candy
Whoa, we're all on the sugar team, so
Shoot me with the speed
That I need

It's the speed that I need
It's the speed that I need
It's the speed
