Wake Up Dead

Wake up dead You're entitled to A night or two in bed Without disguises

Wake up dead You've decided to Spend eternity without surprises

Wake up dead You're excited to Wake up dead

But I will accept you Til the sun falls down And I will protect you Til the sun falls down

Wake up dead You're invited to Take a midnight stroll With Mephistopheles

Wake up dead You're awake enough To know just what it takes To get away from me

Wake up dead You're excited to Wake up dead

But I will accept you Til the sun falls down And I will protect you Til the sun falls down And I will respect you Til the sun falls down
