

# Yeah Man

Veruca Salt

I know you've got my back  
By the way you plan your next attack  
I know you've placed your bets  
By the way you like to watch me sweat

If I could have my way  
I'd chain you down and make you stay  
'Cause you're the yes man, yes man  
Nobody else can

You're the best man, yeah man  
Nobody else can  
You're the left hand right hand man  
The right man

You won't let me down  
You won't let me down  
You won't let me  
I know you in the dark

By the way your hands pull me apart  
I know you in the day  
By the way you're here but you're miles away  
I know you're in the mood not to be attached

Or be misused  
'Cause you're the yes man yes man  
Nobody else can  
You're the best man row hand

Nobody else can  
You're the left hand right hand man  
The right man  
You won't let me down

You won't let me down  
You won't let me down  
You won't let me  
Down

Down  
Down  
Down  
Baby, take me high and hazy

Leave me limp and lazy  
You can't save me  
You can't save me  
You can't save me

(Yeah yeah, yeah yeah)  
I'll be your sacrifice  
I'll be your ??  
I'm the perfect daughter

The perfect slaughter

Yes man yes man nobody else can
