The Verve

Dream....Dream....

Damaged...do you see through the scream...

Damaged...but I know I will survive

Damaged...but I guess I'll move on...

Dream....Dream...

Live this life before your soul's a smoke ring, in the sky...

Just keeping it, keeping it on, on, on...

Just keeping it, keeping it on, on on...

Just keep it, keep it, keep it on, just keeping it, keep anything...

Dream...Dream...

Live this life before your soul's a smoke ring, in the sky

Damaged...do you see through the scream

Damaged...but I know I will survive

Damaged...but I guess I'll move on

Too many people, too many dreams now, too many dreams now,
I gonna come out now, I've gotta come back now...

Dream...Dream...Yeah, Dream

Live your life before your soul's a smoke ring in the sky

Dream...Dream...

Live your life before your soul's a smoke ring in the sky
