

# Space And Time

The Verve

There ain't no space and time  
to keep our love alive  
we have existence and it's all we share

There ain't no real truth  
there ain't no real lies  
keep on pushin 'cause I know it's there

Oh, can you just tell me it's all right (it's all right)  
let me sleep tonight  
Oh, can you comfort me tonight (it's all right)  
make it all seem fine

I just can't make it alone oh, no, no (2x)

there'll be no lullabies  
there'll be no tears cried  
we feel numb 'cause we don't see  
That if we really care  
and we really love  
think of all the joy we'd feel

Oh, can you just tell me it's all right (it's all right)  
let me sleep tonight  
Oh, can you comfort me tonight (it's all right)  
make it all seem fine

I just can't make it alone oh, no, no (tonight) (4x)

Ain't got no lullaby, no, no (2x)  
There is no space and time, Oh lord (2x)

We have existence and it's all we share (5x)  
Keep on pushing 'cause I know it's there  
keep on pushing 'cause I know it's there (4x)
