The Verve

So, I'm living a bad dream
So, I'm living a bad dream

So, I'm living a bad scene

So, I'm living a bad dream
So, I'm having a bad dream

Oh, Oh, oh, oh

In a bad dream
I can feel it

Help, help, help, help, help

And I'm out
The skies are in me

Oh, it takes me back

Then it all comes back
And it all comes back

Go on, go on, go on

Yeah
