

Radiant figure hanging above your heads
Deviant image, apotheosis of a man
Crawling affiliation
Praying dying fearful acclamation bound

Commemorate the omnipotence
And inappropriate delusion of grandeur
Embrace dejection of courage
Dismay, cast down your pride

Remember
You're the one, one of many
You're the one, one of many

"My sheep hear my voice, and I know them, they will follow me."

Remember
You're the one, the one of many

Can't you see the contrivance
The world of god, useful misguidance
Killing lying in the name of divine reason
You'll never see his face

And I give them the eternal life
And they will never perish
And no one will ever snatch them out of my hand

My father who has given them to me is grater than all
And no one is able to snatch them out of the father's hand

(When one person suffers from a delusion, it's called insanity,
when many people suffer from a delusion, it is called religion
.. religion?... just pull yourself together.)
