

I'm up to here
In paper and pencils
I'm nothing more
Than a simple machine
I feel like running away

I've had enough
Of crushing digits
I'm just a dot
On a piece of paper
I just feel like
Letting it all slide

I'm up to here
In paper and pencils
I'm nothing more
Than the shit I own
I feel like
Letting it all go

I've had enough
Of crushing digits
I'm not worth more
Than I earn
I just feel like
Letting it all slide
