

This is Not

VETO

You're borderline
You're just about to crack
Who's pushing me around?
You need to push them back

'Cause I've never seen you like this
I don't want to see you like this

You can't walk the line
With a foot on either side
Who's breathing down your back
Do you need a place to hide

You could use the energy
Tomorrow
You need to wake up again
Tomorrow

Lay your head down
On your pillow
