

# Untitled

Vex Red

Your to near me  
I'm on fire  
You surround me  
You steal my breath

Trapped inside here  
When you're around  
I should go home  
Move away from me

This time I mean it  
Its time you left me alone  
I wont hurt myself  
For you or anyone

Your to near me

I'm on fire  
You surround me  
You steal my breath

Trapped inside here  
When you're around  
I should go home  
Move away from me

This time I mean it  
Its time you left me alone  
I wont hurt myself  
For you or anyone

This time I mean it  
Its time you left me alone  
I wont hurt myself  
For you or anyone
