

## Love In My Pocket

VHS or Beta

I got what you want  
if you want it  
come and get it

see this in my eyes  
you can have it  
everything if you want it

I got your love in my pocket, your love (2x)

I don't want to feel like you extend your love for me, yeah  
you can always figure it out all yourself away from me  
but you know now know now know now  
what you got x2

I can't say a word, there is nothing that we can't imagine  
just you wait and see I won't stop until you see, I will have it

I got your love in my pocket, your love x2

I don't want to feel like you extend your love for me, yeah  
you can always figure it out all yourself away from me  
but you know now know now (2x)  
what you got (3x)
