Guilty By Association

Vic Chesnutt

you've been sanctified and I've been triedguilty by association you've been canonized and I've been friedguilty by association all the little loonies with a salient obsession come out from the boonies with their sharpies and their gunsloaded with questions

you've been canonized and I've been friedguilty by association

you've been terrorized and I've been triedguilty by association

all the little loonieswith a salient obsessioncome out from the boonieswith their sharpies and their gunsloaded with questions
