

## Maiden

Vic Chesnutt

dogs are barking, birds are chirping  
the only thing better if I was squirting  
but there's no one here to love on me today  
for the maiden's on holiday  
for the maiden's on holiday

I'm a sorry, sorry knight in a horrible castle  
hoping to avoid certain societal hassles  
and I know what they say  
but I ain't made of clay  
for the maiden's on holiday  
yeah, the maiden's on holiday

I ain't nothing but chivalrous  
ain't never been nothing nasty between us  
she knows where she stands  
on the heart of a broken man

I'm gonna be bad no matter what  
so I might as well go on ahead  
and act like a butt  
any ol' way, yeah, I'm still gonna pay  
for the maiden's on holiday  
yeah, the maiden's on holiday
