

## April In Portugal

Vic Damone

I found my April dream  
In Portugal with you  
When we discovered romance  
Like we never knew

My head was in the clouds  
My heart went crazy too  
And madly I said  
"I love you"

This sad reality  
To know it couldn't be  
That's Portugal and love  
In April

The music and the wine  
Convinced me you were mine  
But it was just the spring  
Fooling me

I found my April dream  
In Portugal with you  
When we discovered romance  
Like I never knew

Then morning brought the rain  
And now my dream is through  
But still my heart says  
"I love you"

I found my April dream  
In Portugal with you  
When we discovered romance  
Like I never knew

Then morning brought the rain  
And now my dream is through  
But still my heart says  
"I love you"
