April In Portugal

Vic Damone

I found my April dream
In Portugal with you
When we discovered romance
Like we never knew

My head was in the clouds My heart went crazy too And madly I said "I love you"

This sad reality
To know it couldn't be
That's Portugal and love
In April

The music and the wine Convinced me you were mine But it was just the spring Fooling me

I found my April dream
In Portugal with you
When we discovered romance
Like I never knew

Then morning brought the rain And now my dream is through But still my heart says "I love you"

I found my April dream
In Portugal with you
When we discovered romance
Like I never knew

Then morning brought the rain And now my dream is through But still my heart says "I love you"
