

Por Favor

Vic Damone

Por favor (cha cha cha)
I need the magic touch
Of your amor (cha cha cha)

So while your tempting lips
Are here before me
Please adore me, por favor

Besame (cha cha cha)
Before the cha cha tempo
Steals away (cha cha cha)

While other dancers
Do their fancy swaying
We'll keep saying besame

Cha cha cha
You're so appealing
When we cha cha cha
You got me reeling
When we cha cha cha

And I've a feeling
That our lips will still be blended
Even when the dance has ended

Por favor (cha cha cha)
I need the magic touch
Of your amor (cha cha cha)

So when there's no more
Cha cha to enchant me
Say you'll grant me as before
Your love forever, por favor

Cha cha cha, cha cha cha
Cha cha cha

Our lips will still be blended
Even when the dance has ended

Por favor (cha cha cha)
I need the magic touch
Of your amor (cha cha cha)

So when there's no more
Cha cha to enchant me
Say you'll grant me as before
Your love forever, por favor

(Cha cha cha, cha cha cha)
Your love forever, por favor
(Cha cha cha, cha cha cha)
