

The More I See You

Vic Damone

the more I see you
the more I want you
somehow this feeling
just grows and grows
with every sigh I become
more mad about you
more lost without you
and so it goes
can you imagine
how much I love you
the more I see you
as years go by
I know the only one for me
can only be you
my arms won't free you
and my heart won't try

each time I look at you
is like the first time
each time you're near me
the thrill is new
and there is not a single thing I wouldn't do for
the rare delight of the sight of you
and there is not one single thing
I wouldn't do for
the rare delight of the sight of you
and the more I see you
the more I see you
the more I see you
the more I see you
the more I see you
the more I see you
the more I see you
the more I see you
the more I see you
and the more I see you
the more I see you
the more I see you
the more I see you
the more I see you
everyday
