What didn't we get? PlayStation 4, AirBnBs, smart TVs, dumb TVs, ATVs, Air Force 1s, 2s, 3s, 4s and them ain't even out yet. 10 pairs of Gucci flip flops, a Gucci stroller, a Moncler for D-Block's dog. Bought a chain from his jeweler, studio time, a Young Chop beat, a Backwoods forever, Robin jeans, some jeans from a robin, bunch of birds - parrots, parakeets, gluten free Harold's, 10 gallons of mild sauce, a hundred long fashion shirts.
And the crazy part is, we set it all up to make it look like that mothafucka did it
