

Taco Tuesday

Vicci Martinez

I'm not a picky eater baby
I'm a democrat ya know
I'm a serial offender baby
With no prospect of parole
You're a squirrel on the highway
And I'm a mac truck bringing a load

no more talking cause I got nothing to say
Short time baby yeah bring your monkey to play
yeah
let us play

You're a bottle of tequila baby
and I need a little sip
You may not be a stripper baby
I would love to see you strip
And I'm an iceberg on the ocean
Oh so ready to deal with your ship

Come on slide your sugar put a little smile on my face
Sunday morning you kneel down sinner and pray
Yeah
let us pray

LET US PRAY

I said no more talking cause I got nothing to say
Sunday morning we kneel down sinner and pray
Yeah
lets us pray
Yeahh let usssssss pray
