

What You Believe

Vicci Martinez

The walls are closing in
And I can't figure out what I'm doing here
It's a web that we spin when did it start
We keep adding on
Getting further away from the middle
And the passion is lost
We are barely breathing

But you are what you believe
So believe in all of your dreams
And live out your destiny
Watch your garden grow

We carry a seed
But in order to grow
We have to live the truth in our hearts
It will set us free

You are what you believe
So believe in all of your dreams
And live out your destiny
Watch your garden grow babe

A brand new day
I'm gonna rise above the rest and I'll find my way
I'm gonna past this test and now I know
I just gotta let go and look to the sky and fly yeah
yeah

Cause you are what you believe
So believe in all of your dreams
Said live out your destiny
Watch your garden grow babe babe
Watch your garden grow babe babe
Watch your garden babe ooohhh yeah

Yeah yeah just watch your garden grow babe babe
