

Get a Life

Vice Squad

No more fourth rate cut price crap
No poor sap to take the rap
Shut your mouths no nag nag nag
No more scumbag talking back

Don't be the sacrifice
No never say die
Don't be the suicide
Get out, Get a life
Get out, Get a life
Get out, Get a life

Paying for the privilege
One more shit hole cancelled gig
Took away my will to live
Too ground down to make it big

No admission still refused
Twisted truth is no excuse
Tell me why i was accused
still sent down with nothing proved
