

# Ship of Fools

## Vicious Rumors

The key to love is understanding  
Will it come down from above or will it fade away yeah

Ohh.. we can make it together  
Take it in stride loving each other

Ship of fools take us away from here  
What lies ahead is becoming all too clear

Listen and learn-we can start today  
Oh can I trust you to trust me or will you throw my heart away

Ohh... we can make it together  
Just one more try oh... oh... loving forever

Ship of fools-take us away from here  
What lies ahead is becoming all too clear

Ship of fools take us away from here  
What lies ahead is becoming all too clear  
Ship of fools-oh take us away from here  
What lies ahead is becoming all too clear
