

# Ain't No Need To Worry

Vickie Winans

Chorus 1

Ain't no need in worrying  
what the night is gonna bring,  
it'll be all over in the morning.

Verse 1

There's a fear of night fall,  
when darkness comes and covers all the day.  
Sometimes we feel pain,  
but there are things that we can change, just pray.

Chorus 2

Ain't no need to worry,  
what the night is gonna bring,  
it'll be all over in the morning.

Verse 2

Troubles come, but they do past,  
heartaches, hurts, oh but, they don't last always.  
Sometimes we feel pain,  
but there are things that we can change, just pray.

Chorus 2

Bridge

In the morning, the morning,  
it'll be all over in the morning.

Vamp 1

It'll be all over in the morning.

Vamp 2

Makes no different how dark the night,  
if you trust in God, it'll be alright;  
(it'll be all over in the morning).

Vamp 3

It makes no difference how long the day,  
trust in God, He'll make a way;  
(it'll be all over in the morning).

Vamp 4

Weeping will last, but only for awhile,  
but when the sun shines, you'll wear a smile;  
(it'll be all over in the morning).

Vamp 5

And I say, thank you Jesus,  
in the presence of all those who hear my voice;  
(it'll be all over in the morning).
