

## Everyday Is A Good Day

Vickie Winans

Everyday is a good day to give thanks unto the lord  
Everyday is a good day to give thanks unto the lord  
Everyday is a good day to give thanks unto the lord  
To give thanks unto the lord  
For all he's done for us

For he has done great things  
He has done great things  
He has done great things for us  
He has done great things  
He has done great things  
So give thanks unto the lord  
For all he's done for us

Oh how we love him, how we love him  
How we love him for what he's done  
How we love him, how we love him  
We give thanks unto the lord  
For all he's done for us

Everyday is a good day (repeat  
To give thanks unto the lord  
For all he's done for us
