

# Everything Will Be Alright

Vickie Winans

Don't let the problems get you down  
Don't let the situation make you frown  
Don't let the hard times get the best of you  
Hold your head up and walk on through  
I know it's hard to see your way  
Devil throwing darkness all in your way  
Don't throw in the towel stay in the fight  
Jesus will be there He's the way the truth and the light

Chorus (repeat)  
Everything be alright be alright alright

Don't let the problems get you down  
Don't let the situation make you frown  
Don't let the hard times get the best of you  
Hold your head up and walk on through
