

I Hear The Music In The Air

Vickie Winans

I hear the music in the air
I hear the music everywhere
I hear the music in the air
I hear the music everywhere
I feel like praising
I feel like praising
I feel like praising
I feel like praising
I feel like praising the Lord
I feel the rhythm in the air
I feel the rhythm everywhere
I feel like dancing
I feel like dancing for Him,
Feel like dancing
I feel like dancing
I feel like dancing
I feel like dancing for Him
David danced before the Lord
With all his might
David danced before the Lord
With all his might
David danced before the Lord
With all his might

Vamp:

I'm glad about it
I'll sing about it
I'll shout about it
I'll dance about it

I hear the music in the air
