

## Madly In Love

Vickie Winans

Lord you are my everything  
You are the first one  
I think of in the morning  
I'm madly in love

I want to run with you  
If you call my name i'm runnin to you  
With the sound of my heart  
I'm madly in love with you

You been holding me all this time  
You been keeping my head up high  
Can't get no credit for the win (i can't do it)  
Amazing yeah (that's you)  
How you do the things (that you do)  
And i'm sure i'm not the only one  
That's madly in love with you

Nothing else matters in the world  
If you don't like it i'm (throwing it all away)  
Cause it not about me (it's about you)  
If you tell me jump (i'll go move)  
I got it really bad  
Cause i'm madly in love with you

My life's been so much better  
Since you came in my life  
I can smile now  
(look in my heart you'll see i love you)  
Thank you for joy  
Every day and night  
Every day and night  
I'm alright, cause  
You're my everything

I keep falling in love with you over and over  
I keep falling in love with you over again  
I keep falling in love with you over and over  
I keep falling in love with you over and over

I keep falling in love  
I keep falling  
So madly in love
