

Never Separate (a Song For Friends)

Vickie Winans

I'll cross the widest ocean
And i'll gladly find my way to you
Cause you mean the world to me
Without you what would i do
I cannot imagine life without you there
So can we promise to never separate

You and me yes you and me
Bound to see those troubles of life
I can survive as long as you are by my side
I cannot imagine life without you there
So can we promise to never separate

Time has turned you into my best friendd
How we've gone through the thick and thin
So let's not turn back now
Only forever stay around

Love when you find it, it has a way
Of putting all the good in place
So if we fuss and fight
Just remember love is on our side

Now if you should hear me say i quit
Don't let me walk away
If you should ever change your mind
I would die inside
So what ever happens let's make a promise
You and me together
And we will never ever, ever separate

If we should ever cry let's make us laugh
Flying high above the worst and bad
Two is much better than one
Trusting that one of us will get it done
See we gone get it done
