Special Day

Vickie Winans

The calender have name some special days
But everyday with you I will celabrate
Becuse yo bless me with your presence
Everyday hey hey that why I lose myself
With you as we crown each day in life as 2
That's why I love you
(Even today) (You have mean more then this world)
(Then a holiday to me)
That's why I thank you for being so special to me
And I need more of you yes I do

Woha woah oh now if you bring me pesents that is Fine but all I know I have you in mind Because you bless me everyday

So I luve you and so on not the rest I know
