

# Stand Up And Carry On

Vickie Winans

My life's like a circle  
It keeps going round and round and round and round again  
And i search for the purpose  
I gotta wear my crown  
And it seems like the farther i get  
The longer the road i gotta travel  
And everytime i get a situation raped up  
Another one start unravels

Cause' i know the race isn't given to the swift  
But to him that endureth to the end  
I know that some test you win  
Others you lose  
All you gotta do is say to yourself  
Stand up and carry on  
When your greatest fears  
When they run up on you  
All you gotta do is say to yourself  
Stand up and carry on

I done walked through the valley  
With death looking over my shoulder  
I remember when my mama told me  
On my knees i'm as strong as a soldier  
Slowly, but surely i realized my life was not in order  
But one day he told me  
All that i need was right around the corner.

I wish i had a dime for everytime  
I tried to reach the light at the end of tunnel  
But god stayed on my side  
And now i know that i am gonna endure to the end

Stand  
Stand  
Stand  
Stand up and carry on
